# **DR. A P J ABDUL KALAM UNIVERSITY, INDORE**

(Established by an Act of Govt. of M.P. & Approved By Govt. of M.P. Notification no.)

## **1. Preface:**

**Dr. A P J Abdul Kalam University** Indore offers research programs leading to the award of the Doctor of Philosophy (Ph.D) degree. The Ph.D Programme at **Dr. A P J Abdul Kalam University** designed to provide an opportunity to obtain the greatest possible expertise in the chosen field of interest through extensive course work and intensive research. The award of this degree is in recognition of high academic achievements, independent research and application of knowledge to the solution of technical and scientific problems in the various disciplines.

The objective of Ph.D. degree programme is to promote highly qualified researchers required for the expansion of fundamental knowledge and innovation through research & development.

## **2. Faculty of Ph.D. Program:**

**Dr. A P J Abdul Kalam University** offers admission in Ph.D. for following faculty of research:

- i) Faculty of Engineering & Technology
- ii) Faculty of Pharmacy
- iii) Faculty of Management
- iv) Faculty of Physical Science
- v) Faculty of Social Sciences
- vi) Faculty of Humanities
- vii) Faculty of Commerce
- viii) Faculty of Life Science

The research work shall be an original work characterized by the discovery of the facts or by a new approach towards the interpretation of the facts or development of any equipment making a marked advancement in technology. The Ph.D. degree shall be conferred and awarded to a candidate who fulfils all the requirements specified in these Ordinances and Regulations in the discipline of the department in which he is registered.

### **3. Notification for Ph. D Programme**

The University shall decide and declare well in advance, a manageable number of doctoral students depending on the number of available eligible supervisors.

1. The number of seats as aforesaid shall be notified on a regular basis on the University website and/or advertisement in the widely read national as well as regional newspapers.
2. A notification for Ph.D. Programme shall specify
  - a. The number of seats available in each Department/Faculty/subject, the date, place and syllabi of the Entrance Test
  - b. Procedure of application submission

### **4. Eligibility Criteria for Admission to Ph.D Programme**

1. A candidate for the degree of Doctor of Philosophy must, at the time of application, hold Master's degree with at least 55% marks or an equivalent grade of the University, a Deemed University or any other University incorporated by any law for the time being in for RDC and recognized by the University (5% relaxation in marks for SC/ST/OBC students).
2. The University shall admit applicants to Ph.D. degree programme through Entrance Test conducted by it.
3. Applicants who have qualified UGC/CSIR/DST/GATE/GPAT/SLET/NET/M.Phil/ National/State level fellowship shall be admitted directly without the entrance test.
4. Applicants who have been awarded teachers fellowship by statutory bodies for doing Ph.D. degree shall also be admitted directly without the entrance test.

## 16. Course Work

Each candidate including a part-time candidate after having being admitted, shall be required to undertake course work for a minimum period of one semester (six months). The course work shall be treated as pre-Ph.D. preparation and shall include the following courses:

1. Research Methodology (4 credits): Each Ph.D. candidate will have to undergo one course on Research Methodology.
2. Computer Applications (4 credits): This paper consist MS Office, Matlab and Research Tool.
3. Literature Review in the domain of Research (3 credits): This course will be adjudged by submitting a Review article/assignment based on reviewing of at least 50 latest published research articles/work in the relevant research field and a presentation of the same.

At the end of the course work of one semester each candidate shall be examined in the month of Nov. /Dec. and May/June every year in the above three courses. A candidate who has put in a minimum of 75% attendance during the course work will be admitted to the examination which follows the course work.

S. No.	Subject Code	Name of Subject	Credits	Examination Scheme		
				End Semester Exam	Continuous Assessment*	Total Marks
1.	PhD 101	Research Methodology	4	60	40	100
2.	PhD 102	Computer Applications	4	60	40	100
3.	PhD 103	Review of Literature#	3	50#	0	50#
4.	PhD104	Comprehensive Viva-Voce	4	50	0	50
Total Credits & Marks			15 (Total Credits)	300 (Total Marks)		

\*The continuous assessment includes assignment, power point presentation and attendance marks. Student will be required to submit two assignments and one power point presentation in each paper (1 and 2). Each assignment and power point presentation will carry 10 marks. The attendance of PhD course work will carry 10 marks.

# No University Examination, in this course a PhD student has to present seminar/presentation or a series of presentations on a topic(s) chosen by him/her in consultation with his/her PhD Thesis Supervisor and the marks will be awarded on the basis of presentation.

- a. The syllabus of the course Research Methodology and Computer Application shall be prepared by the Research Board and the syllabus of the specialization course (Departmental elective) shall be prepared by the concerned Research committee in consultation with the Supervisors of the field.
- b. The question papers for the course work shall be prepared by the external experts other than Supervisors to be appointed by the Vice Chancellor on the recommendation of Dean-Research/RDC.
- c. In general the answer books of course work shall be assessed by the concerned paper setter. However, in case the Paper Setter is not available other competent faculty may be appointed by the Vice Chancellor on the recommendation of Registrar/RDC.
- d. A candidate shall be declared to have successfully completed course, if he/she has successfully passed semester examinations with minimum 65% or in equivalent grade. Minimum 6 credits to be earned during the course work for successful completion.
- e. The University may allow a part-time candidate to carry out the course work of one semester in any institution/sister department within or outside the University, provided that such a candidate shall have to appear at the examination conducted by the University at the end of such course work semester.

## **17.Registration**

1. Upon successful completion of the course work the candidate shall be required to present and defend a synopsis of his/her proposed research work before the RDC who may either approve or may ask the candidate to resubmit the synopsis based on the suggestions/modifications made by it. The RDC may allow not more than three attempts to a candidate for defending the synopsis of the proposed research work.

2. Upon approval of the synopsis by the RDC, the application for registration shall be placed before the Registrar who, after being satisfied with the candidate's requisite qualification and the subject offered can be well pursued for the Ph.D. programme, may permit the candidate to get himself registered as a candidate for Ph.D. programme by fulfilling conditions, if any, prescribed by the university for registration and to undertake research work and produce a draft thesis within the stipulated time limit.
3. At the time of registration the candidate will submit photocopies of his/her documents to the office of Registrar.
4. Every candidate registered for Ph.D. programme shall be duly enrolled, unless he/she has already been enrolled once in the University, as a research candidate of the University on payment of prescribed fee and required documents in original.
