April 23, 2019

NOTICE

Subject – Pool Campus Drive by M/s. Netlink Software P. Ltd.!!!!!!

This is to inform you that *M/s. Netlink* is hiring Graduates from B.E.-CS / IT & MCA Students for their Bhopal location.

About the Company:

Netlink's unique model is called the Delta Platform. It is a proprietary set of processes, systems, pre-built technologies and web-based tools that enables virtually distributed team integration for IT delivery. Their Delta platform combined with industry leading cSaaS architecture delivers powerful solutions for cloud based products. Netlink is one of the few technology solution providers that use a fixed bid model. They have proven that they can improve efficiency and lower costs. Netlink is very proud of its people. They have a staff of hardworking people and individuals of high-integrity who focus on doing the best for the customer every day. They have a highly trained staff of SMEs, processes experts, statistical/mathematical/domain Ph.D.'s, software and network engineers, architects, analysts, programmers, developers and administrators who makes an impact on their customers' businesses every day. Each team member of Netlink is focused on providing strong results and building customer driven relationships. They are proud to be "easy to work with". Based on Netlink's ability to anticipate client needs and to provide the right solutions and people, its growth has been nothing short of phenomenal. Our average annual revenue growth has exceeded 100% since 1999.
