INDORE**

OPEN YOUR MIND FOR ACADEMIC AND INDUSTRIAL NEEDS

The conference is aimed to provide the platform for industrialists, educationists, researchers and students to debate and discuss on the vital need of research. The unique event will explore the significance of patent and registration of new chemical entity. The collective and comparative discussion will established the crucial insights on exciting work happening in the interface of the academic & industrial research. The conference will be helpful in

 Promoting University / Institute Industry collaboration

 To understand the different types of University-Industry collaboration

 To discuss on the need of Skill Development (Education and Training)

 For the generation, acquisition and adoption of knowledge (Innovation and Technology transfer)

 For the promotion of Entrepreneurship (Start-ups)

 To cultivate mutually beneficial and lasting relationships with one another

ABOUT UNIVERSITY

The lush green campus of Dr. A. P. J. Abdul Kalam University is located at Indore-Dewas Bypass Road, Indore (M.P). The university was established by the Act of State legislature, M.P. as notified in the official Gazette (extraordinary) of government of Madhya Pradesh on 04th January 2016. University is pursuing excellence in teaching and research in science and technology, humanities, social sciences, arts and sports. The University supports and promotes excellence and innovation in academic programmes, research and teaching.

University has conducted many continuing education and QIP programme including various national seminars, conferences, training program, symposium, refresher course, STC, FDP, SDP for the quality improvement and knowledge dissemination for the society. University is committed for imparting the knowledge to all the aspirants.

WHO SHOULD ATTEND?

DELEGATES

The program is designed for **Worldwide Status and Needs of Industrial and Academic Research** so as to understand the objective underlying patent, product registration, clinical research, NDA & ANDA, drug discovery, technology transfer in Pharmaceutical Sciences in India and elsewhere. Budding pharmacists, students, research scholars, academicians, professionals, executives, entrepreneurs and administrators from industries, academic and allied field can attend the program.

TRAVEL AND ACCOMMODATION

Indore is well connected by air, rail and road. Taxi and other public transport facilities are available from airport, railway and bus station. Luxury and budget accommodation facilities are available, conference committee may assist for accommodation on e-mail request. Separate charges will be applicable on confirmation.
